

12 Affordable Wedding Guest Dresses for Spring or Summer

Summary: How to stay fashionable, on a budget, for Spring or Summer weddings.

With the snow slowly melting and the sun

emerging, it's almost time for spring wedding season. While we all might enjoy celebrating those we love, or at least attending a fun party, wedding season comes with a few negatives as well. One of the biggest drawbacks to wedding season is the cost of attending a wedding, especially if you've been invited to more than one. Even if you're not in the wedding party or a family member, you still need to have something suitable to wear, as well as give a gift or more than one gift if you're invited to a shower as well. While buying one dress and wearing it to a couple weddings may work, it's not as feasible if the same people will be in attendance at multiple events. Men generally don't suffer from this issue as they can simply swap out a tie and wear the same suit. However, women's dresses tend to be much more unique and obvious. When you're in need of several dresses for wedding season but are working under a budget, it can be difficult to find dresses that are appropriate and classy while still being affordable. If this sounds like you, take a look at these twelve affordable wedding guest dresses for this spring.
