

Top Legal Expert and Davis Polk Partner, Dan Gibbons, Delivers Captivating Talk at Fintech Nexus' USA 2023 Conference

Renowned legal expert and Davis Polk partner Dan Gibbons captivated audiences as one of the esteemed speakers at Fintech Nexus' USA 2023 Conference that took place last May 11, 2023, at the Javits Center in the bustling city of New York. This premier event brought together industry leaders, innovators, and regulators in the fintech space to explore the latest trends and challenges shaping the future of financial technology.

As an integral part of the "Engaging With Regulators Has Never Been More Important" program, Dan Gibbons assumed the role of moderator for a series of insightful panels. These panels delved into crucial topics, such as "States Picking up the Regulatory Slack To Create Clarity for Fintech," "Bank-Fintech Partnerships Are Under Scrutiny: What Happens Next," and "Why Regulation and Compliance is Fundamentally a Data Science Exercise." Through these discussions, Dan shed light on the evolving regulatory landscape and the critical intersection of technology and compliance.

Davis Polk, a renowned global law firm, is recognized for its pioneering legal expertise and its deep involvement in the fintech industry. With a rich history spanning several decades, the firm has continually demonstrated its commitment to delivering exceptional legal solutions and staying at the forefront of emerging legal issues.
